RE: Slane Youth Cafe submission in support of Slane Bypass and public realm plan.

To whom it may concern,

Slane Youth Cafe (Foróige) would like to support the above planning application as the planning application being implemented will greatly increase the road safety on the N2 in Slane village.

Our members must use the very dangerous N2 to access Slane Youth Cafe. This is because our premises sits at the back of the church car park in the centre of Slane village. Both our volunteers and our teenage members witness the dangerous condition of the road everyday and there is an onus on our volunteers to keep the children safe in our premises. We have received extensive training in child protection but face the nightmare of a traffic accident involving either our volunteers or children.

Our village needs to be given back to us.

Our children are entitled to feel safe going to school or to our youth Cafe.

This very important piece of infrastructure needs to be delivered as quickly as possible.

Kind regards,

Nicola Byrne
