Re: Scheme Details: N2 Slane Bypass and Public Realm Enhancement Scheme
Client Details: John Kealy, Janeville, Slane, Co. Meath
CPO Ref: 118

Dear Sirs,

We act on behalf of the above property owner who has been served with notice of the making of the above Compulsory Purchase Order. Having reviewed the drawings and documentation accompanying same, our client has instructed us to object to the confirmation of the Compulsory Purchase Order (CPO) and Environmental Impact Assessment Report (EIAR) on the following grounds:

- 1. Surplus Land Acquisition**
The landowner objects to the acquisition of lands which appear to be surplus for the scheme requirements.
- 2. Drainage**
Inadequate drainage details have been provided along the proposed new roadway regarding the realignment of existing drains that may be severed by the proposed new road and there are concerns about adverse drainage problems to the retained lands during and after the construction of the new road.
- 3. Noise**
Inadequate information has been provided regarding the mitigation measures that are being proposed to control noise pollution.
- 4. Access – General**
We object to the lack of detail on access to the retained property.
- 5. Access Road Details**
Insufficient information has been supplied regarding the proposed accommodation road.
- 6. Other Matters**
Such other relevant matters that may arise when more detailed design information is made available.

Our client's primary concern is in relation to the impacts on their property rather than the overall proposed scheme itself.

The information supplied by the Acquiring Authority is incomplete and may change. We reserve the right to include other grounds of objection and to elaborate on the above listed grounds of objection when further information is made available to us by the Acquiring Authority and to tender these at the An Bord Pleanála Hearing. We request that an Oral Hearing be held in relation to the scheme.

Yours faithfully,
